previous scholars have largely approached wisdom and torah in the second temple period through a type of reception history whereby the two concepts have been understood as signifiers of independent earlier biblical streams of tradition that later came together in the hellenistic and roman eras largely under the process of a so called torahization of wisdom recent studies critiquing the nature of wisdom and wisdom literature as operative categories for understanding scribal cultures in early judaism as well as newer approaches to conceptualizing torah and authorizing compositional practices related to the pentateuchal texts however have challenged the foundations on which the previous models of wisdom and torah rested this volume therefore brings together several essays that aim to reexamine and rethink the ways we can describe the developments of texts categorized as wisdom that proliferated during the second temple period and whose contents point to an engagement with a torah discourse by asking anew the question of whether wisdom was transformed by into torah during this period this volume offers reformulations on the discursive space between wisdom and torah through analyzing new identifications confluences and transformations

short subject films have a long history in american cinemas these could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that would include a cartoon a newsreel possibly a serial and a short before launching into the feature film shorts could tackle any topic of interest an unusual travelogue a comedy musical revues sports nature or popular vaudeville acts with the advent of sound on film in the mid to late 1920s makers of earlier silent short subjects began experimenting with the short films using them as a testing ground for the use of sound in feature movies after the second world war and the rising popularity of television short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s this encyclopedia offers comprehensive listings of american short subject films from the 1920s through the 1950s

containing full pedigree of all the imported thorough bred stallions and mares with their produce

the bible contains the greatest story ever told it reveals the god of history who is writing his story through history s events it tells us about life and it itself is life it tells us about jesus god s son who secured salvation for a lost world two thousand years ago maybe you ve tried to read the bible all the way through before and didn t finish maybe you need a tool to guide you in your journey that s what we hope this book will be for you the bible is sixty six books yet it is one book with one story it was written over 1 500 years ago but with one theme jesus the bible has forty human authors but one divine author and one central story it invites us into that story to embrace the life god designed for us scripture s grand story can help people with little bible knowledge achieve a basic framework for grasping the bible s main story those with a basic understanding of scripture will benefit by seeing how each story plays a part in the one central story jesus

includes titles on all subjects some in foreign languages later incorporated into memorial library
